

Have You Enrolled for Your 2026 Health Insurance?

Enroll by January 30, 2026

- All Marketplace plans cover essential services, including doctor visits, ER visits, prescriptions, mental health care and substance use disorder treatment, hospitalization, and pregnancy and childbirth services.
- Free preventive services such as shots and screenings are provided.
- You cannot be denied coverage due to your health status. Based on your income and the size of your household, you may qualify for lower-cost plans or savings.
- If you apply outside of the enrollment period, you may qualify for a “Special Enrollment Period” due to certain life changes (e.g., marriage, birth, permanent move, loss of other coverage.) For more information, please visit www.marketplace.virginia.gov/special-enrollment.
